COUNCIL REGULATION (EU) No 442/2011

of 9 May 2011

concerning restrictive measures in view of the situation in Syria

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 215 thereof,

Having regard to Council Decision 2011/273/CFSP of 9 May 2011 concerning restrictive measures against Syria ⁽¹⁾, adopted in accordance with Chapter 2 of Title V of the Treaty on European Union,

Having regard to the joint proposal from the High Representative of the Union for Foreign Affairs and Security Policy and the European Commission,

Whereas:

(1) Decision 2011/273/CFSP provides for an arms embargo, a ban on internal repression equipment, and restrictions on the admission to the Union, and the freezing of funds and economic resources, of certain persons and entities responsible for the violent repression against the civilian population in Syria. Those persons, entities and bodies are listed in the Annex to that Decision.

(2) Some of those measures fall within the scope of the Treaty on the Functioning of the European Union and regulatory action at the level of the Union is therefore necessary in order to implement them, in particular with a view to ensuring their uniform application by economic operators in all Member States.

(3) This Regulation respects the fundamental rights and observes the principles recognised in particular by the

Charter of Fundamental Rights of the European Union and, in particular, the right to an effective remedy and to a fair trial and the right to the protection of personal data. This Regulation should be applied in accordance with those rights.

(4) The power to amend the list in Annex II to this Regulation should be exercised by the Council, in view of the serious political situation in Syria, and to ensure consistency with the process for amending and reviewing the Annex to Decision 2011/273/CFSP.

(5) The procedure for amending the lists in Annex II to this Regulation should include providing designated natural or legal persons, entities or bodies with the grounds for listing, so as to give them an opportunity to submit observations. Where observations are submitted, or substantial new evidence is presented, the Council should review its decision in light of those observations and inform the person, entity or body concerned accordingly.

(6) For the implementation of this Regulation, and in order to create maximum legal certainty within the Union, the names and other relevant data concerning natural and legal persons, entities and bodies whose funds and economic resources must be frozen in accordance with this Regulation, must be made public. Any processing of personal data should comply with Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data ⁽²⁾ and Directive 95/46/EC of the European Parliament and of the Council of 24 October 1995 on the protection of individuals with regard to the processing of personal data and on the free movement of such data ⁽³⁾.

Article 7

By way of derogation from Article 4, the competent authorities in the Member States, as listed in Annex III, may authorise the release of certain frozen funds or economic resources, if the following conditions are met:

- (a) the funds or economic resources in question are the subject of a judicial, administrative or arbitral lien established prior to the date on which the person, entity or body referred to in Article 4 was included in Annex II, or of a judicial, administrative or arbitral judgment rendered prior to that date;

2. The prohibition set out in Article 4(2) shall not give rise to any liability of any kind on the part of the natural and legal persons, entities and bodies who made funds or economic resources available if they did not know, and had no reasonable cause to suspect, that their actions would infringe the prohibition in question.

of 9 May 2011

concerning restrictive measures against Syria

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Article 29 thereof,

Whereas:

- (1) On 29 April 2011, the European Union expressed its grave concern about the situation unfolding in Syria and the deployment of military and security forces in a number of Syrian cities.
- (2) The Union strongly condemned the violent repression, including through the use of live ammunition, of peaceful protest in various locations across Syria resulting in the death of several demonstrators, wounded persons and arbitrary detentions, and called on the Syrian security forces to exercise restraint instead of repression.
- (3) In view of the seriousness of the situation, restrictive measures should be imposed against Syria and against persons responsible for the violent repression against the civilian population in Syria.
- (4) Further action by the Union is needed in order to implement certain measures,

HAS ADOPTED THIS DECISION:

The sale, supply, transfer or export of arms and related matériel of all types, including weapons and ammunition, military vehicles and equipment, paramilitary equipment and spare parts for the aforementioned, as well as equipment which might be used for internal repression, to Syria by nationals of Member States or from the territories of Member States or using their flag vessels or aircraft, shall be prohibited, whether originating or not in their territories.

2. It shall be prohibited to:

- (a) provide, directly or indirectly, technical assistance, brokering services or other services related to the items referred to in paragraph 1 or related to the provision, manufacture, maintenance and use of such items, to any natural or legal person, entity or body in, or for use in, Syria;

(b) provide, directly or indirectly, financing or financial assistance related to the items referred to in paragraph 1, including in particular grants, loans and export credit insurance, for any sale, supply, transfer or export of such items, or for the provision of related technical assistance, brokering services or other services to any natural or legal person, entity or body in, or for use in, Syria;

(c) participate, knowingly and intentionally, in activities, the object or effect of which is to circumvent the prohibitions referred to in points (a) or (b).

1. Article 1 shall not apply to:

- (a) supplies and technical assistance intended solely for the support of or use by the United Nations Disengagement Observer Force (UNDOF);

- (c) the sale, supply, transfer or export of non-combat vehicles which have been manufactured or fitted with materials to provide ballistic protection, intended solely for the protective use of personnel of the European Union and its Member States in Syria;
- (d) the provision of technical assistance, brokering services and other services related to such equipment or to such programmes and operations;
- (e) the provision of financing and financial assistance related to such equipment or to such programmes and operations;

2. 4. Paragraph 3 shall be considered as also applying in cases where a Member State is host country to the Organisation for Security and Cooperation in Europe (OSCE).
5. The Council shall be duly informed in all cases where a Member State grants an exemption pursuant to paragraphs 3 or 4.
6. Member States may grant exemptions from the measures imposed under paragraph 1 where travel is justified on the grounds of urgent humanitarian need, or on grounds of attending intergovernmental meetings, including those promoted by the Union, or hosted by a Member State holding the Chairmanship in office of the OSCE, where a political dialogue is conducted that directly promotes democracy, human rights and the rule of law in Syria.
7. A Member State wishing to grant exemptions referred to in paragraph 6 shall notify the Council in writing. The exemption shall be deemed to be granted unless one or more of the Council members raises an objection in writing within two working days of receiving notification of the proposed exemption. Should one or more of the Council members raise an objection, the Council, acting by a qualified majority, may decide to grant the proposed exemption.
8. In cases where pursuant to paragraphs 3, 4, 6 and 7, a Member State authorises the entry into, or transit through, its

- (b) the funds or economic resources will be used exclusively to satisfy claims secured by such a lien or recognised as valid in such a judgment, within the limits set by applicable laws and regulations governing the rights of persons having such claims;
- (c) the lien or judgment is not for the benefit of a natural or legal person or entity listed in the Annex; and
- (d) recognising the lien or judgement is not contrary to public policy in the Member State concerned.

A Member State shall inform the other Member States and the Commission of any authorisation granted under this paragraph.

5. Paragraph 1 shall not prevent a designated person or entity from making a payment due under a contract entered into before the listing of such a person or entity, provided that the relevant Member State has determined that the payment is not directly or indirectly received by a person or entity referred to in paragraph 1.
