**COUNCIL REGULATION (EC) No 131/2004  
of 26 January 2004  
concerning certain restrictive measures in respect of Sudan**

THE COUNCIL OF THE EUROPEAN UNION,

HAS ADOPTED THIS REGULATION:

Having regard to the Treaty establishing the European Community, and in particular Articles 60 and 301 thereof,

*Article 1*

Having regard to Council Common Position 2004/31/CFSP of 9 January 2004 concerning the imposition of an embargo on arms, munitions and military equipment <sup>(1)</sup> on Sudan,

For the purposes of this Regulation, the following definition shall apply:

Having regard to the proposal from the Commission,

'technical assistance' means any technical support related to repairs, development, manufacture, assembly, testing, maintenance, or any other technical service, and may take forms such as instruction, advice, training, transmission of working knowledge or skills or consulting services. Technical assistance includes verbal forms of assistance.

Whereas:

(1) In view of the ongoing civil war in Sudan, Common Position 2004/31/CFSP maintains the arms embargo imposed against that country by Council Decision 94/165/CFSP <sup>(2)</sup> and strengthens that embargo to include a ban on technical assistance and other services related to military activities, and on financial assistance related to military activities.

*Article 2*

It shall be prohibited:

(2) Common Position 2004/31/CFSP also makes provision for humanitarian exemptions to the arms embargo, including sale, supply, transfer or export of equipment and materiel for mine clearance operations in Sudan.

(a) to grant, sell, supply or transfer technical assistance related to military activities and to the provision, manufacture, maintenance and use of arms and related materiel of all types, including weapons and ammunition, military vehicles and equipment, paramilitary equipment, and spare parts for the aforementioned, directly or indirectly to any person, entity or body in, or for use in Sudan;

(3) The embargoes on certain technical and financial assistance fall within the scope of the Treaty. Therefore, notably with a view to avoiding distortion of competition, Community legislation is necessary to implement the embargoes as far as the territory of the Community is concerned. For the purpose of this Regulation, the territory of the Community is deemed to encompass the territories of the Member States to which the Treaty is applicable, under the conditions laid down in that Treaty.

(b) to provide financing or financial assistance related to military activities, including in particular grants, loans and export credit insurance, for any sale, supply, transfer or export of arms and related materiel, or for any grant, sale, supply, or transfer of related technical assistance, directly or indirectly to any person, entity or body in, or for use in Sudan.

(4) In order to ensure that the measures provided for in this Regulation are effective, this Regulation should enter into force immediately,

*Article 3*

The participation, knowingly and intentionally, in activities the object or effect of which is, directly or indirectly, to promote the transactions referred to in Article 2 shall be prohibited.

<sup>(1)</sup> OJ L 6, 10.1.2004, p. 55.

<sup>(2)</sup> OJ L 75, 17.3.1994, p. 1. Decision repealed by Common Position 2004/31/CFSP.

*Article 4*

1. By way of derogation from Articles 2 and 3, the competent authorities of Member States as listed in the Annex, may authorise the provision of financing and financial assistance and technical assistance related to:

- (a) non-lethal military equipment intended solely for humanitarian or protective use, or for institution building programmes of the United Nations, the European Union and the Community;
- (b) material intended for European Union and United Nations crisis management operations;
- (c) mine clearance equipment and materiel for use in mine clearance.

2. No authorisations shall be granted for activities that have already taken place.

*Article 5*

Articles 2 and 3 shall not apply to protective clothing, including flak jackets and military helmets, temporarily exported to Sudan by United Nations personnel, personnel of the EU, the Community or its Member States, representatives of the media and humanitarian and development workers and associated personnel for their personal use only.

*Article 6*

The Commission and Member States shall immediately inform each other of the measures taken under this Regulation and shall supply each other with any other relevant information at their disposal in connection with this Regulation, in particular information in respect of violation and enforcement problems and judgements handed down by national courts.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 26 January 2004.

*Article 7*

The Commission shall be empowered to amend the Annex on the basis of information supplied by Member States.

*Article 8*

The Member States shall lay down the rules on sanctions applicable to infringements of the provisions of this Regulation and shall take all measures necessary to ensure that they are implemented. The sanctions provided for must be effective, proportionate and dissuasive.

The Member States shall notify these rules to the Commission without delay after the entry into force of this Regulation and shall notify it of any subsequent amendment.

*Article 9*

This Regulation shall apply:

- (a) within the territory of the Community, including its airspace;
- (b) on board any aircraft or any vessel under the jurisdiction of a Member State;
- (c) to any person elsewhere who is a national of a Member State;
- (d) to any legal person, group or entity which is incorporated or constituted under the law of a Member State;
- (e) to any legal person, group or entity doing business within the Community.

*Article 10*

This Regulation shall enter into force on the day following that of its publication in the *Official Journal of the European Union*.

*For the Council*  
*The President*
